Start Line Information

The start line for the Indianapolis Marathon & Half Marathon is located in the Historic Fort Harrison area at the intersection of Otis Avenue & Lawton Loop East Drive. This beautiful setting will make your experience start off on the right foot. This is the former Army Parade grounds for the Fort Benjamin Harrison Army base.

The 2010 Indianapolis Marathon & Half Marathon will feature Starting Corrals. Each participant in the Full and Half Marathon will be assigned a "Start Corral" designated by a letter on their race bib. This letter will indicate which corral to line up in at the start of the race. The first corral will be for seeded runners, then there will be seven additional corrals where participants will be assigned based on their estimated finish times. This will make for an orderly start of the event, spread the participants out more on the course, and help participants start with people of similar speeds.

On race morning, look for the tall signs in the starting area with your corral letter, and enter the corral. Reminder: the event is Chip Timed so your starting times are recorded when you actually cross the start line and NOT WHEN THE STARTING GUN GOES OFF!

The 5K starts 30 minutes after the Full/Half Marathon. There will be a 5K staging area for the 5K participants during the start of the Full **and** Half Marathon. Once the Full/Half Marathon clears the starting area, the 5K participants will then report in to their 5K starting corrals.

Be sure to arrive early to find your corral!

Raceday Parking

PLEASE ARRIVE EARLY! All participants should plan to arrive and be parked at the race site by 7:30am. Please plan your arrival accordingly and allow extra time as there will be thousands of people coming to the race site. Roads will begin closing shortly thereafter as we prepare for the start of the race at 8:30am.

Once parked by 7:30am, you will then have plenty of time to relax and focus on your race. You can listen to tunes in your vehicle or head over to the race site to enjoy the pre-race buzz and excitement.

Parking for raceday activities will be in parking lots near the race site. Parking lots are located within a 2 to 10 block of the race site. We will have Police and Parking Directors directing you to the open lots as you approach the race site. The main parking area will be the Major General Emmett J. Bean Center parking lot, south of 56th Street, located on the southwest corner of 56th Street & Post Road

If arriving from the North:

- From I-465, take exit 40 and head east on 56th Street approximately 1.5 miles to the race site.
- Turn right onto Herbert Lord Drive into the Bean Center parking lot.
- Follow Police/Parking Director guidance if they route you to another lot that is flowing quicker.

If arriving from the South:

- From I-465, take exit 42 and head east at the Pendleton Pike exit and travel approximately 1.5 miles to Post Road.
- Turn left or north on Post Road, go over the railroad tracks.
- Turn left or west on Hess Road into the Bean Center parking lot.
- Follow Police/Parking Director guidance if they route you to another lot that is flowing quicker.

If arriving from the East or West via I-70:

- From I-70, take exit 91 and head north on Post Road and travel approximately 3.5 miles to Pendleton Pike.
- Continue north on Post Road go over the railroad tracks
- Turn left or west on Hess Road into the Bean Center parking lot.
- Follow Police/Parking Director guidance if they route you to another lot that is flowing quicker

Reminder: Plan to **ARRIVE EARLY**. You will need to **be** parked by 7:30am to give yourself plenty of time to relax and focus on your race. Roads will start closing shortly after 7:30am. There will be a lot of people driving to the race site at once, so please plan accordingly!!

Gear Check

Gear Check will be available on Saturday morning before the race just South of the finish line in front of the North entrance to Christians United Church. Checked gear bags will be available for pickup after the race at the same location. Bags will be provided for your use. You need to write your race number on the outside of your gear bag, and you will need to have your race number to pick up your bag. Gear Check will be available from 7:00 a.m. to 2:30 p.m. and any unclaimed items will be brought back to the Indianapolis Marathon & Half Marathon offices. If items are not claimed within 30 days of the event, they will be donated to a charity.

THE INDIANAPOLIS MARATHON & HALF MARATHON IS NOT RESPONSIBLE FOR ANY LOST, STOLEN, OR DAMAGED ITEMS. DO NOT GIVE YOUR ITEMS TO ANY VOLUNTEER EXCEPT THOSE AT GEAR CHECK! DO NOT PUT VALUABLES IN YOUR GEAR CHECK BAG.

IPICO Timing System

All events will be timed using the IPICO timing system. You must wear your tag to be timed. Tags must be turned in to avoid a \$25 replacement fee.

If you do not wear your tag, you will not show up in the finish results. Every year this is an issue. If you show up on race day and don't have your Timing Tag you will need to go to the trouble table to get a new

one and pay for the replacement. PLEASE DOUBLE CHECK THAT YOU HAVE YOUR TAG BEFORE COMING!

Bib Number Requirements

- DO NOT alter the bib number in any way.
- Securely fasten the bib number to the FRONT of your running outfit with the safety pins enclosed in your packet.
- All bib numbers MUST be visible and worn on the front and outside of clothing at all times during the race.

Race Guidelines

Please follow these simple guidelines in order to make your experience more enjoyable.

- You must start in your designated corral - by doing so you will be starting with others with the same pace as yourself. (If you want to start with someone else, you are allowed to move back to the slower starting corral.)
- Remember, the IPICO Timing tag does NOT start until you go over the starting mats at the start line - therefore you don't have to worry about how long it takes for you to get to the start line once the gun goes off. **The 5K event is also timed using the IPICO Timing system and like the Full and Half Marathon, your time does not start until you cross the starting line.**
- Do not attempt to move up to a faster corral as this could lead to disqualification. If you have a concern with your corral, please go to the help table at Friday Packet Pickup to discuss.
- **There is a 15 minute per mile cut-off pace that you will need to maintain during the Marathon, and a 17 minute per mile cut-off pace that you will need to maintain during the Half Marathon. This pace will start when the last person**

has crossed the start line. Due to course security and safety, and medical coverage, participants not maintaining this pace will be asked to leave the course and retire from the event.

- Please do NOT run/walk more than two abreast and remember to keep to the right side of the road throughout the course.

Course Information

ROUTE

The full and half marathon are run together for the first 12.5 miles. When you reach the intersection of 59th Street and Post Road at the entrance to Fort Harrison State Park, the marathon continues straight into the Park while the half marathon turns left onto Post Road and heads toward the finish line. Volunteers will be present to facilitate this and the roads are marked accordingly.

Please understand this part of the course! At 12.5 miles you must turn left if you are running the Half Marathon, and you must run straight into the State Park if you are running the Full Marathon. Despite a team of volunteers, signs, and marks on the road, every year someone either misses the turn or takes the turn by mistake!! Don't let it be you.

Several parts of the course are an "out and back" format. Runners should stay to the right when facing oncoming runners at all times. The course is marked with white "double lined" arrows. All miles are marked on the road and with a standup sign.

The marathon course will be open and supported from 8:30am until 3:13pm (15min/mile pace plus 10 minutes for clearing the start line). The half-marathon course will be open and supported from 8:30am until 12:23pm (17min/mile pace plus 10 minutes for clearing the start line). Again, if you fall behind this pace you will be asked to retire from the event and board the tail vehicle.

MEDICAL

Medical personnel will be stationed at each aid station throughout the course to provide medical assistance. Participants requiring medical treatment may be transported to an area hospital for treatment in an emergency room facility. It will be the discretion of the on-scene medical personnel to determine which facility will be used. Anyone

transported to a facility and treated will be billed by the hospital and ambulance provider for services rendered.

COURSE CLOSINGS

For your safety and for the timely reopen of the streets to vehicular traffic, you must reach key locations by specified times.

PLEASE DO NOT START EARLY! Traffic and safety rules prohibit early starts. Early starters will be eliminated from the Official Results.

All participants on a 5 hour + marathon pace must cross Shadeland Avenue (mile 23.5) on a green light after 1:00 p.m. This road must be re-opened up to traffic at this time. Cross on GREEN LIGHT after 1:00 p.m., police will remain at the intersection after 1:00 p.m. to assist walkers in crossing Shadeland.

If you cannot maintain the per-minute per mile pace, you will be asked to board the support bus. **[DELETE THIS: "or continue on your own without course support."]**

DROPPING OUT

If you must drop out of the race, it is very important that you report to

the nearest aid station or amateur radio operator so your name and number can be recorded. A race vehicle will take you to the finish area.

Race Regulations

Participants will:

- not be allowed on the course before the official gun start (no early starts will be allowed)
- not **be allowed to** participate with another participant's number.
- not exchange (by selling or giving away) their bib number
- obey all directions by course monitors, police and safety personnel.

Unregistered participants, unauthorized vehicles, bicycles, skateboards, roller skates, in-line skates, strollers, baby joggers, walking poles and animals are prohibited along the course. All race regulations comply with liability insurance requirements and ensure your safety and the fairness of the race. For your safety and the safety of others, please allow room for faster individuals to pass you. If you are running or walking with friends, please do not line-up more than two abreast.

Race officials may cancel, delay or change the race to a non-scored event in case of extreme weather or other conditions that may affect the safety and health of the participants. In the event of cancellation, no refunds will be issued.

Runner Services

Once you cross the finish line, be sure to smile as Brightroom will be taking finisher photos. After crossing the finish line, please keep moving forward to get your cups of water and Gatorade. Once you have received your finisher's medal, you will receive your water. Please keep moving through the Runner Services area to prevent back-ups at the finish line. Also, you will not be allowed to meet your friends and family in the Runner Services area after the finish line, please do so in the Rest & Recovery Area. Bananas and cookies will be available to participants before entering the Rest & Recovery Area. Please make sure to get your food at that time, and please be considerate of your fellow runners and take one item per person. All marathon, half marathon, relay finishers and 5K will receive a finisher's medal.

Post-Race Area

Invite your friends and family to join you in the Post-Race Area to celebrate your accomplishment as well as cheer on other participants as they cross the finish line.

POST RACE COOKOUT

All volunteers and participants are welcome at the free Post Race Cookout prepared by our benefiting charity K.I.D.S. Inc. which will be held at the Party Tent near the finish line. Volunteers will receive a meal pass while participants should use their race number for their meal pass. You must have your race number to eat! Extra meal tickets may be purchased for family and friends for \$5.00 each.

MERCHANDISE

Get your official Indianapolis Marathon & Half Marathon merchandise in the large vendor tent at the finish line.

RESULTS

Live computer results will be available during the event and can be checked in the PostRace Area by visiting the Results Tent located near the finish line. For **your** convenience, results will also be posted online on raceday, instead of the mailed results card.

GEAR CHECK

Gear Check will be available on Saturday morning before the race just South of the finish line at the North entrance to Christians United Church. Checked gear bags will be available for pickup after the race at the same location. Bags will be provided for your use. You need to write your race number on the outside of your gear bag, and you will need to have your race number to pick up your bag. Gear Check will be available from 7:00 a.m.-2:30p.m. and any unclaimed items will be brought back to the Indianapolis Marathon & Half Marathon offices. If

items are not claimed within 30 days of the event, they will be donated to a charity.

THE INDIANAPOLIS MARATHON & HALF MARATHON IS NOT RESPONSIBLE FOR ANY LOST, STOLEN, OR DAMAGED ITEMS. DO NOT GIVE YOUR ITEMS TO ANY VOLUNTEER EXCEPT THOSE AT GEAR CHECK! DO NOT PUT VALUABLES IN YOUR GEAR CHECK BAG.

POST RACE SHOWERS

Post-race showers are available at the YMCA (same facility as Friday packet **pickup**). Showers and towel service are available for \$5. You must show your race number to get this arrangement. This does not allow access to other areas of the YMCA. This is a very nice service offered by the YMCA, and it beats trying to argue a late hotel checkout time or driving home 4-hours without a shower!

LOST & FOUND

Lost & Found items will be kept at the Information Tent at **the** race site.

AWARDS

Award Ceremonies will be held at the finish line for top five overall male and female finishers for the full marathon and half marathon, along with the top three overall male and female finishers of the 5K. All age group awards can be picked up at the Awards Pick-up Tent near the finish line. Times will also be posted at the Awards Tent. Award winners will also be posted on our Web Site. If you win an award, please proceed to the Awards Tent near the finish line to claim your award. Unclaimed awards will be taken to the Athletic Annex Running Store at 86th Street and Ditch Road (317-872-0000) where they may be picked up **through November 16th**. If you want your award mailed to you, please mail your name, address, division, and \$10 (to cover shipping/packaging) to the Indianapolis Marathon Road Runners Club, P.O. Box 361074, Indianapolis, IN 46236.

Spectator Information

The race site is an excellent place to view the race! Besides the exciting start **and finish**, the participants will come back by the race site **along 56th Street at 4.5 miles!** If you are watching the Full Marathon, you can walk 5 blocks North to watch your runner go into the State Park at 12.5 miles. Another great place to go next is straight West down 56th Street 4 miles to the Windridge area. (Right before you get to Emerson Avenue on the South side of 56th Street.) There is parking in this area. Runners actually will be running Under 56th Street and Under Emerson Avenue on the bike path. **NOTE: Westbound 56th Street will be closed until approximately 10:15am.** There is an aid station **there**, and a **CVS right around the corner** where you can buy snacks/drinks, and you can watch your runners going out at mile

17, then coming back at mile 21. This will allow you plenty of time to get back to the finish line to watch your runner finish!
