20 Reasons to do the 20th Annual Indianapolis Marathon & Half Marathon!

Reason #4:
The Kids Marathon!

We LOVE Our Sponsors!

The Indianapolis Marathon is committed to getting kids excited about physical activity. This is why we offer the Kids Marathon program. Here's how it works: each participating child runs/walks 25 miles in the months leading up to the marathon (1/2 mile, 1 mile, 2 mile increments - whatever works out for them.)

On race day they participate in the 1-Mile Kids Run getting their 26th mile, and thus completing their "Kids Marathon." The run is a one 1-mile lap around the beautiful parade grounds of Lawton Loop and involves crossing the **actual marathon finish line** (fan favorites!). Each child who participates receives a ribbon if doing the Kids Run, or a Finisher Medal if completing the Kids Marathon. Follow this [link](#) to get your little

ones signed up and logging their miles!

Reason #1: A Spectacularly Beautiful Course
During the Height of Autumn!

Reason #2: Big Race Feel, Small Race Charm!

Reason #3: Our Focus is on the Participants!
