The Partnership for Lawrence Fall Festival is a **FREE** community event. Participants can enjoy a variety of free activities including art and games, as well as purchase pumpkins, cider, donuts and flavored popcorn. The whole family can build a six-foot scarecrow together - they have all the materials.

Partnerships for Lawrence and the Lawrence Art Center is proud to support youth programming!

We hope all runners and their families will take advantage of this event. For those driving over, bring the big car so you can make a scarecrow and take it back home with you!
