

2015 - Spectator Viewing Information

The **RACE SITE** is an excellent place to view the race! Besides the exciting start and finish, the participants will come back by the race site along 56th Street at 4.5 miles! If you are watching the Full Marathon, you can walk 4 blocks North on Post Road to 59th Street and watch your runner go into the State Park at 12.5 miles. The next place to go is down 56th Street (3.5 miles) to Fall Creek Parkway. The participants run under 56th Street on the bike path and pass this park-like area twice - outbound near mile 17, then back at mile 21! It is an easy drive if you are willing to leave the race site. Since they return by this location at mile 21, you should have 30 minutes to 90 minutes to get back to the finish line in time – depending on the pace of your runner/walker!
