

*Gatorade on Course - Product Update*

**12<sup>th</sup> Annual  
Indianapolis Marathon and Half Marathon  
Saturday - October 20, 2007**

*Gatorade will be supplying Endurance Formula for the course. There is a store locator on [www.enduranceformula.com](http://www.enduranceformula.com) where you can find stores that carry the product. I plugged in an Indy zip code and it showed 5 specialty stores that carry our powder. It looks like there aren't any grocery stores that carry the ready-to-drink, which is unfortunate. That's a situation we're working to correct.*
