KIDS Inc.: Going the Distance

K.I.D.S. Inc. (Kids in Discipleship and Service) is a community based organization with the goal of meeting the physical, emotional and spiritual needs of the youth within the urban areas of Indianapolis.

A simple after-school program, Kids Inc. opened the doors to their re-purposed building, an old public school in the Fountain Square area, and the kids came.

Helping Set Up Course

Over the years, Kids Inc. has received more than \$220,000 from the Community Health Network Indianapolis Marathon & Half Marathon. Ways that funding impacts the organization are two-fold: 1) provides enough

staff to accommodate the need for one-on-one as well as group sessions with the kids, and 2) provides opportunities for away experiences such as museums, water parks, and other valuable field trips that would cost money to take 20, 30, 50 kids.

K.I.D.S. Inc. staff, kids and volunteers will again arrive before dawn to help prepare the site for our big day, serve their delicious after-race cookout, and stay to the end to help clean up on Saturday, October

20th. They truly go the distance with us to make Your October Race a happening. You can feel good about your participation knowing that Kids Inc. will directly benefit from proceeds from the race.
