Registration for Indianapolis Marathon and Half Marathon Now Available

Long-established event continues to focus on great quality and value for the participants

INDIANAPOLIS – The 13th Running of the Indianapolis Marathon and Half Marathon on Saturday, October 18th, 2008 is now accepting registrations. The event offers a Marathon, Half-Marathon, 4 Person Marathon Relay, 5K, and Kids One Mile Marathon. All events start in the historic Fort Benjamin Harrison area running through the State Park and along the Fall Creek Greenway. Registration is now available online at www.IndianapolisMarathon.com.

The Indianapolis Marathon and Half Marathon started 13 years ago but saw a huge growth last year by almost doubling the field size and taking registrations up to just over 4,600 participants and selling out for the first time. “We will expand the field to 6,000 this year and we expect to sell out again”, says race director Joel Sauer. “As we grow into a mid-size race, our focus remains on making this event a wonderful experience for everyone involved – that is what drives this event, and always has!”

This event remains one of the best values in running; it is a great event with one of the most beautiful courses in the Midwest taking place at the peak of the fall foliage.
